A Warm Hello from Our Community

We're delighted to share some camper poems, stories, and tidbits with you! You can find additional camper art in the lobby during intermission.

The Rhyme ~ By, Harper Burns

Once upon a time, there was a rhyme, it went on for hours while other people picked flowers. People cheered for the rhyme in the distance, and people would boo, but the rhymer from the distance knew she could trust you.

Funny Moments in Upside History

By, Robin Cunningham

Upside Arts day camp 2024 made me laugh a lot. One day we were doing an improv game and three students got improv props and they acted it out but one student said "hellow" instead of "hello" and I've said it since. I love Upside Arts for learning acting skills.

I Love Camp

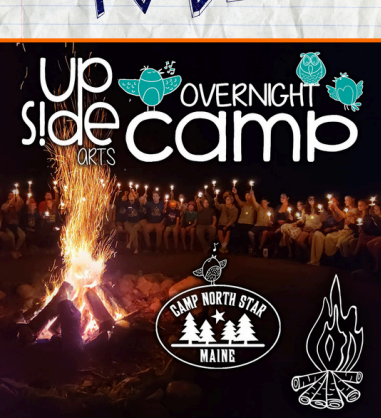

By, Liana Power

I love camp because I have more experience doing the stuff I have to do. I had so much fun doing fun games and activities.

Fun plays are really exciting and learning more stuff makes it fun. Miles had to write a lot down so that the play will be awesome. I think the play is fun because I love dancing and singing. I play one of Docs friends and a bunny and a bumble bee.
